

Why Communicant?

- Local business
- Friendly service
- Track record to be proud of
- Business strategy is to build long-term partnerships with businesses by providing aggressively competitive costs
- We own our own server that hosts only a few websites and so offer phenomenal performance
- As we own our server solutions can be unique for you and not from a package
- Impressive portfolio of long term clients
- We have experience of web development from both ends of the spectrum, developing and managing the Travelbag website and over twenty start-ups
- As a small business we understand tight budgets and the need for fast results
- We love designing websites!
- Plain speaking
- Free IT help desk
- Approachable
